

## Drawing a plan of the Segedunum Roman Fort Site

- You could use the Fort model in the Roman Gallery as a starting point.

Model of Roman Fort Site in Roman Gallery

- Students can get a birds-eye view of the fort from the viewing tower. Talk about the key features you can see. What can you see now that wouldn't have been here in Roman times?

View of Fort Site of viewing tower

- Ask the students to draw a plan of the fort from the viewing tower. They could draw the view as it looks now, imagine how it looked in Roman times, or create an imaginary setting based on the view.
