

## Train puzzle-Have a go at creating your own train with labelled train parts

1. Print out a copy of the train template and separate train parts onto card.
2. Colour in the different train parts and the train template.
3. Cut out the train parts and stick them onto the train template- can you get them in the right place?
4. Teacher can check that the train parts in the correct position by looking at the teacher version of this sheet.
