

STEM PERSON  
OF THE  
WEEK

## Helen Elliott Research Scientist

Helen works with hospitals, scientists and companies who are making new machines for use in healthcare. She is **curious** and investigates the route that a patient would take in their treatment and is **open-minded** when talking to the people involved about how this could be improved. Helen then sends feedback to the companies about the sort of machines hospitals need, this requires her to be **organised**.

Curious

Open-minded

STEM PERSON  
OF THE  
WEEK

# Helen Elliott

## Research Scientist

Like Helen, I am...

### Curious

I want to learn new things.

### Open-minded

I am willing to listen to new ideas and respect other people's views and opinions.

### Organised

I am good at planning to make sure I finish things.

**STEM** PERSON  
OF THE  
WEEK

## Nicola Everitt

### Marine Biologist

Nicola is **self-motivated** and has set up her own business visiting educational settings to teach about the animals found on our coasts and how to protect them. She collects rockpool animals to take with her needs to be **patient** when looking for them, she uses them to share her love of the marine animals. Nicola is **hard-working**, sharing her knowledge and running activities with people of all ages and levels of experience.

**Hard-working**

**Patient**

**Self-motivated**

OF THE  
WEEK

# Nicola Everitt

## Marine Biologist

Like Nicola, I am...

### Hard-working

I put all of my effort into finishing things.

### Patient

I am able to stay calm when faced with problems.

### Self-motivated

I like to do things for myself without being told how to do them.

STEM PERSON  
OF THE  
WEEK

## Yilis del Carmen Surriel Technical Manager

Yilis teaches at a university and manages teams that provide technical support. She is **collaborative** and works with a wide range of people and groups to make sure the technology used in teaching, research and live events run smoothly. If there is a problem Yilis needs to be **creative** to think of ways of fixing it. She needs to be a good **communicator** when teaching so her students understand the lessons and her team know what events are happening and what needs doing for them.

**Collaborative**

**Communicator**

**Creative**

 **OUR**  **PAST**  **YOUR**  **FUTURE**

STEM PERSON  
OF THE  
WEEK

# Yilis del Carmen Suriel

Like Yilis, I am...

### Collaborative

I can work with successfully with others to do things.

### a Communicator

I am good at sharing information and ideas with other people.

### Creative

I can make new things and have original ideas.

PERSON  
OF THE  
WEEK

## Ray Galvin

### Emergency Care Nurse

Ray works in the Emergency Department of a hospital. He is **committed** to caring for his patients and uses technology to monitor their hearts and breathing as well as digitally recording their information. It is important to be **logical** when assessing patients, to make sure urgent cases are treated first. Ray is very **resilient**, taking care of lots of different patients every day in a busy Emergency Department.

**Committed**

**Logical**

**Resilient**

 **OUR**  **FAST**  **YOUR**  **FUTURE**

**STEM** PERSON  
OF THE  
WEEK

# Ray Galvin

## Emergency Care Nurse

Like Ray, I am...

### Committed

I can stick with an activity and try my hardest to make it happen.

### Logical

I can solve problems by thinking through them in a sensible order.

### Resilient

I can quickly recover from difficult or challenging things.

STEM PERSON  
OF THE  
WEEK

## David Rashleigh Flight Operations Intern

David works for a company that uses drones to deliver medical samples and medication between hospitals. He is **passionate** about technology and needs to be **observant**; checking the drones for damage between each flight and making sure the flights go to plan. If there are problems David needs to be **imaginative** to fix them.

**Imaginative**

**Observant**

**Passionate**

 **OUR**  **FAST**  **YOUR**  **FUTURE**

STEM PERSON  
OF THE  
WEEK

# David Rashleigh

## Flight Operations Intern

Like David, I am...

### Imaginative

I can think of new and interesting ideas.

### Observant

I am quick to see things and am good at paying attention.

### Passionate
